Writing Plan: Analytical Essay

thesis statement

Note the position you plan to defend and analyze here:

In, so far from the Bamboo Grove the three Kawishima family had to trust each other to get to Japan safely

Possible Title;

Notes for Introduction:

- Mention the title and author in your intro.

Notes for Detailed Support from the book.

1. When they had to walk on the train-tracks over the water Ko had to trust Yoko to carry her safely over the water
2. Mother and Ko had to trust Yoko, that she would get enough food for them to live off of, B/C they couldn't go with her to get it B/C if they left ~~the~~ the train station spot would get taken
3. Yoko and Ko had to trust that when mother left to find her family that she would find them and come back safely. They had no way to communicate with her they just had to trust her.
4. Had to trust that the signs they put up, Hidelyo would see them and follow them. They wrote them in the wood poles and left him a note at the house they just trusted he would see them

Conclusion Notes: How will you help the reader think of related but new idea(s)?

In some situations you have to trust your family when you have nothing else. In the book So far from the Bamboo Grove Kawishima family had to trust each other to get to Japan safely.
