*Laurie's Journal Entry

- it will be from the beginning/progressing to peak of the wave.

Title: Inner thoughts.

Main Points:

- her developing worries - how controlling it is
 - changing people - David Brian Robert (class)
 - she's not sure if it's good.
- being confident in Mr. Ross that he knows what he's doing, it's just a fad, etc.

(Go back and forth between worries to consoling herself, that it's just a fad that will blow over and stuff)

- working out her thoughts through writing.

Audience: 8th grade, thinking about points of view in the wave.
