

One day when I was sitting in the cafeteria with my friends, some one from another table threw macaroni at me. When I looked up I saw Michael Swiss laughing. Then I knew it was him. I jumped up from my table my face red with fury and walked toward him.

When I got to him I yanked him out of his chair and started whaling on him. Then my good friend Kevin Cheesy ran over and yelled "STOP RONNY!" My face was still red, fists still clenched I hit him once more and got off. So now I'm suspended.

Of course no one told on Michael because every one is scared of him. So we talked it over and now we're really good friends.
