

One day when I was sitting in the cafeteria with my friends some one from another table threw food at me. When I looked up I saw Michael Swiss was laughing. Then I knew it was him. I jumped up from my table and walked toward him.

\* what he looks like  
and what he is like  
my face red with fury

When I got to him I yanked him out of his chair and started whaling on him. Then my good friend Kevin Cheesy ran over and yelled "STOP RONNY!" I hit him once more and got off. So now I'm suspended.

\* my face still red  
show what he looks like  
fists still clenched!

Of course no one told on Michael because they are scared of him. We talked about it and now we are really Good friends.
