

THE FIGHT

One day when I was sitting in the cafeteria with my friends someone from another table threw food at me. When I looked up I saw Michael Swiss was laughing. Then I knew it was him. I jumped up from the table and walked toward him.

When I got to him I yanked him out of his chair and started whaleing on him. Then my good friend Kevin Cheesy came over and said "Stop Ronny!" I hit him once more and got off. So now I'm suspended.

Of course no one told on Michael because they are scared of him. We talk about it and they became good friends.
