

# Peer Evaluation: Analytical Essay

Writer's name: \_\_\_\_\_ Date: \_\_\_\_\_

Self-evaluation or  Peer-evaluation by \_\_\_\_\_

**1.** Read each section of your partner's writing plan and use the questions under each heading to provide helpful feedback. Offer feedback in a question. For example:

- \* Can you shorten the title?
- \* Can you link your details to the thesis?
- \* Can you add more specifics to each supporting idea?

**2.** Always offer a positive comment by pointing out what worked well for you as a reader.

---

## Provide feedback on:

### Possible title

- \* Is the title short and engaging?
- \* Does the title let you know the topic?

### Thesis statement

- \* Did the student go through the process to find a thesis statement?
- \* Is the thesis stated clearly?

### Introduction

- \* Do the introductory general ideas connect to the thesis statement?

### Specific evidence from the text that supports the thesis

- \* Is each detail specific?
- \* Do the details/inferences connect to the thesis?
- \* Do the details/inferences convince the reader to believe in the thesis?

### Conclusion

- \* What idea does the conclusion leave the reader with that goes beyond the introduction?

### More positive comments
