

## Tips for Varying Sentence Openings

### 1. Words that can help you vary sentence openings:

meanwhile    until    whoever    unless    instead of  
as soon as    whatever    since    because    although  
when    if    what    while    wherever  
immediately    afterward    now    later    both

### 2. Tips for rewriting sentences with repeated openings:

- \* Circle the repeated word and any ideas repeated within the sentences.
- \* Combine sentences with related ideas.
- \* Eliminate repeated ideas within sentences.
- \* Delete or add words to make the writing and ideas clear.
